

There was a tree
(there was a tree)
Down in the wood
(down in the wood)
The best little tree
(the best little tree)
That you ever did see
(that you ever did see)

Chorus

Oh...the...
Tree in the ground
And the green grass grew
All around, all around
The green grass grew all
around.

And on that tree
(and on that tree)
There was a branch
(there was a branch)
The best little branch
(the best little branch)
That you ever did see
(that you ever did see)

Chorus

Oh...the...
Branch on the tree
And the tree in the ground
And the green grass grew
All around, all around
The green grass grew all
around.

And on that branch
(and on that branch)
There was a flower
(there was a flower)
The best little flower
(the best little flower)
That you ever did see
(that you ever did see)

Chorus

Oh...the...
Flower on the branch
And the branch on the tree
And the tree in the ground
And the green grass grew
All around, all around
The green grass grew all
around.

And on that flower
(and on that flower)
There was a petal
(there was a petal)
The best little petal
(the best little petal)
That you ever did see
(that you ever did see)

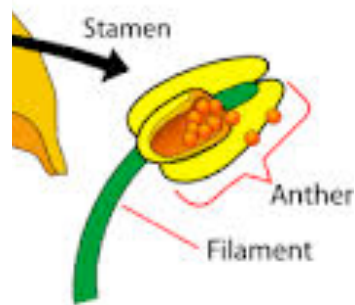

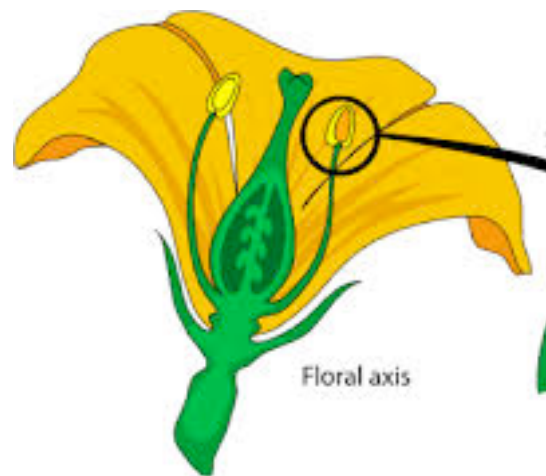

Chorus

Oh...the...
Petal on the flower
And the flower on the
branch
And the branch on the tree
And the tree in the ground
And the green grass grew
All around, all around
The green grass grew all
around.

And by that petal
(and by that petal)
There was a stamen
(there was a stamen)
The best little stamen
(the best little stamen)
That you ever did see
(that you ever did see)

Chorus

Oh...the...

Stamen by the petal

And the petal on the
flower

And the flower on the
branch

And the branch on the tree

And the tree in the ground

And the green grass grew

All around, all around

The green grass grew all
around.

Floral axis

And in that stamen
(and in that stamen)
There was some pollen
(there was some pollen)
The best little pollen
(the best little pollen)
That you ever did see
(that you ever did see)

Chorus

Oh...the...

Pollen in the stamen

And the stamen by the petal

And the petal on the flower

And the flower on the branch

And the branch on the tree

And the tree in the ground

And the green grass grew

All around, all around

The green grass grew all around.

And to that pollen
(and to that pollen)
There came a bee
(there came a bee)
The best little bee
(the best little bee)
That you ever did see
(that you ever did see)

Chorus

Oh...the...
Bee with the pollen
And the pollen **from** the stamen
And the stamen by the petal
And the petal on the flower
And the flower on the branch
And the branch on the tree
And the tree in the ground
And the green grass grew
All around, all around
The green grass grew all around.

And that little bee
(and that little bee)
It flew away
(it flew away)
To another flower
(to another flower)
To give it the pollen
(to give it the pollen)

Chorus

Oh...the...
Pollen on the bee
And the pollen **from** the stamen
And the stamen by the petal
And the petal on the flower
And the flower on the branch
And the branch on the tree
And the tree in the ground
And the green grass grew
All around, all around
The green grass grew all around.

And in that flower
(and in that flower)
grew a little fruit
(grew a little fruit)
the best little fruit
(the best little fruit)
that you ever did see
(that you ever did see)

Final Chorus

Oh...the...

Fruit from the flower
From the pollen on the bee
And the pollen from the stamen
And the stamen by the petal
And the petal on the flower
And the flower on the branch
And the branch on the tree
And the tree in the ground
And the green grass grew
All around, all around
THE GREEN GRASS GREW ALL A-
ROOOOOOOUUUND!!!
